Welcome to Haddonfield Memorial High School! We look forward to providing you with individualized counseling throughout your time here at HMHS. Our Counseling Department's mission is to provide a comprehensive school counseling program that addresses the emotional, social, career developmental, and academic needs of all students in the Haddonfield School District. Having a comprehensive counseling program that is fully integrated with the academic mission of the district and works with all stakeholders in the school and community can help ensure success for Haddonfield students.

Our stellar staff works diligently to provide authentic instructional situations in each course and program we offer. Our programs meet the requirements set forth by the New Jersey Department of Education, while also encompassing the rigor of advanced placement classes. We encourage each student and his or her parents to familiarize themselves with our Program of Studies which outlines and describes each of our courses. The Program of Studies is accessible on the Counseling tab of the HMHS website:

<http://www.haddonfield.k12.nj.us/highschool/Counseling/Program%20of%20Studies.htm>

There are three steps to this process. Families complete this Registration Packet and provide all required documents for review to Ms. Tracy Ann Matozzo, Dean of Students, 856-429-3960 x-105. All registration information will be entered into our system by our Counseling Administrative Assistant, Ms. Michele Papa. Then, families will make a scheduling appointment with their counselor. We approach our counseling philosophy in a distinct manner: all freshman are assigned to our Freshman Transition Counselor and upon moving into sophomore year, through senior year, students are assigned one counselor by their last names. This approach enables counselors to develop a relationship, over time, with their students and their families. Please be aware that immunization records are reviewed by our School Nurse, Ms. Sharon Garnier. Students transferring from out-of-state or international locations are responsible for ensuring proper immunizations: <http://www.state.nj.us/education/students/safety/health/cdpr/immune/>

When preparing for the scheduling conferences, please bring a copy of the most recent report card/unofficial transcript and any state test data which will assist counselors with the appropriate academic placement. Likewise, if your child requires medication during the school day or has emergency rescue medication e.g. an inhaler for asthma or has an epi pen to please contact the school nurse for the appropriate forms. Ms. Garnier can be reached at 856-429-3960 x-144

Preliminary Information for Student Registration

Please Read Before Proceeding

The information provided in the following pages will enable us to determine your student's eligibility to attend school in this district in accordance with New Jersey law. Please be aware that N.J.S.A. 18A:38-1 and N.J.A.C. 6A:22 require that a free public education be provided to students between the ages of 5 and 20, and to certain students under 5 and over 20 as specified in other applicable law, who are:

- Domiciled in the district, i.e., the child of a parent or guardian, or an adult student, whose permanent home is located within the district. A home is permanent when the parent, guardian or adult student intends to return to it when absent and has no present intent of moving from it, notwithstanding the existence of home or residences elsewhere
- Living with a person, other than the parent or guardian, who is domiciled in the district and is supporting the student without compensation, as if the student were his or her own child, because the parent cannot support the child due to family or economic hardship
- Living with a parent or guardian who is temporarily residing in the district
- The child of a parent or guardian who moves to another district as the result of being homeless
- Placed in the home of a district resident by court order pursuant to N.J.S.A. 18A:38-2
- The child of a parent or guardian who previously resided in the district but is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in relocation of the student, pursuant to N.J.S.A. 18A:38-3(b)
- Residing on federal property within the State pursuant to N.J.S.A. 18A:28-7.7 et seq.

Note that "guardian" means a person to whom a court of competent jurisdiction has awarded guardianship or custody of a child, provided that a residential custody order shall entitle a child to attend school in the residential custodian's school district subject to a rebuttable presumption that the child is actually living with such custodian; it also means the Department of Children and Families for purposes of N.J.S.A. 18A:38-1(e). Also note that a student is entitled to attend school in the district of domicile notwithstanding that the student is qualified to attend school in a different district as an "affidavit" student or temporary resident.

Note that the following do not affect a student's eligibility to enroll in school:

- Physical condition of housing or compliance with local housing ordinances or terms of lease
- Immigration/visa status, except for students holding or seeking a visa (F-1) issued specifically for the purpose of limited study on a tuition bases in the United States public secondary school

- Absence of a certified copy of birth certificate or other proof of a student's identity, although these must be provided within 30 days of initial enrollment pursuant to N.J.S.A. 18A:36-25.1
- Absence of student medical information, although actual attendance at school may be deferred as necessary in compliance with rules regarding immunization of students, N.J.A.C. 8:57-4.1 et seq.
- Absence of a student's prior educational record, although the initial educational placement of the student may be subject to revision upon receipt of records or further assessment by the district

The following forms of documentation may demonstrate a student's eligibility for enrollment in the district. Particular documentation necessary to demonstrate eligibility under specific provisions in law will be indicated in the appropriate section of the registration form.

Property tax bills, deeds, contracts of sale, leases, mortgages, signed letter from landlords and other evidence of property ownership, tenancy or residency

Voter registrations, licenses, permits, financial account information, utility bills, delivery receipts, and other evidence of personal attachment to a particular location

Court orders, State agency agreements and other evidence of court or agency placement or directives

Receipts, bills, cancelled checks and other evidence of expenditures demonstrating personal attachment to a particular location, or where applicable, to support the student

Medical reports, counselor or social worker assessments, employment documents, benefit statements, and other evidence of circumstances demonstrating, where applicable, family or economic hardship or temporary residence

Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, guardian person keeping an "affidavit student," adult student, person(s) who whom a family is living or others as appropriate

The totality of information and documentation you offer will be considered in evaluating an application, and, unless expressly required by law, the student will not be denied enrollment based on your inability to provide certain form(s) of documentation where other acceptable evidence is presented.

You will not be asked for any information or document protected from disclosure by law, or pertaining to criteria which are not legitimate bases for determining eligibility to attend school.

Please be aware that any initial determination of the student's eligibility to attend school in this district is subject to more thorough review and subsequent re-evaluation, and that tuition may be assessed in the event that an initially admitted student is later found ineligible.

If your student is found ineligible, now or later, you will be provided the reasons for our decision and instructions on how to appeal. State law allows school districts to admit nonresident students, through policies adopted at Board discretion, on a tuition basis. If your student is not eligible to attend school in this district free of charge, he or she may enroll on a tuition basis by contacting the Office of the Superintendent.

Dear Parents:

Students often complain of headache, muscle aches, colds, menstrual cramps etc. during school hours and request Ibuprofen or Tylenol. Often after the nurse assesses his/her complaint, relieves it as requested, and provides a few minutes of rest, students are able to comfortably resume their course of studies. When students are unable to receive Ibuprofen or Tylenol from an appropriate source (the school nurse), they may turn to friends for whatever medicinal help they have available. This is a violation of the Haddonfield School District's medication policy, and we wish to discourage this practice.

Please complete and sign this form where indicated and have it **CO-SIGNED BY YOUR FAMILY DOCTOR** with the dosage filled in. This permission or denial will remain in effect throughout the school year unless we are subsequently notified by you or your physician to rescind or change it.

I request that my student _____

General Notes

While information technology and applications that have a relevant and pertinent use might be required for some assessments and instructional design, unless otherwise directed, personal electronic devices should be silenced and put away for the duration of a class period, especially during a quiz, test, exam, or other assessment. Students who are using devices during an assessment may compromise the integrity of their assessments.

Cyber-bullying is not tolerated. Acts of harassment, intimidation, or bullying may also demonstrate a pupil exercising power and control over another pupil, either in isolated incidents (e.g., intimidation, harassment) or patterns of harassing or intimidating behavior (e.g., bullying) through personal devices. “Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager or via social media.
