School District Construction Update

September 8, 2017

Due to the construction, Central Elementary and Middle School playground, blacktop and field will be closed starting next week Monday, September 11th until further notice. All students will need to enter and exit the school from the front of the building. For everyone's safety, no one is permitted to be in the back of the school. For staff parking along the Speedline, they will also need to enter the building from the front and not cut through the blacktop to enter the building.

As always, we thank you for your patience and understanding during this construction project.
